**Re: Construction provision at Burnley College**

Dear Parent/ Carer

As you will be aware, your child has chosen to complete a construction programme of study. This year, this will be provided by Burnley College. Students will attend Burnley College each Wednesday and experience a range of trades within the construction industry.

Students will need to arrive at school for the usual start time of 9am. They will be expected to stay in school to complete their form time activities until 9:30am. We will then escort the students to Burnley college either on foot or using the school minibus. They will finish college at 3pm and will be dismissed from there.

As students will be working at the college, we will provide them with a packed lunch. Students will not be supervised during their hour lunch break. This is to give the students the true college experience. However, if students do not return from lunch to complete their afternoon lessons, this will be reviewed and again, their college place may be at risk.

Whilst attending college, it is imperative that students wear the correct protective footwear, which will be provided by school. The college may also provide other items of PPE which must be worn. Failure to comply with wearing the correct PPE will result in your child being sent home and puts their college place at risk.

Should you require any further information or wish to discuss this further, please do not hesitate to contact me.

Kind regards

Mr C Glennon
